

**REQUEST FOR REASONABLE
MODIFICATION**

Reasonable Modification means that “the nature of an individual’s disability cannot preclude a public transportation entity from providing full access to the entity’s service unless some exception applies.” SARTA will make reasonable modifications in policies, practices or procedures when such accommodations are necessary to avoid discrimination on the basis of disability unless the recipient can demonstrate that making the accommodation would fundamentally alter the nature of the service, program, or activity or result in undue financial and administrative burden.

In determining whether to grant a requested modification, the Stark County Regional Transit Authority (SARTA) will be guided by the provisions of the United States Department of Transportation regulations and guidance provided in Appendix E of Title 49 CFR Part 37.
